Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The binational political debate -- The project -- The workforce -- Life on the job -- Construction dilemmas -- Off the project -- The core of the corps -- A lifetime of memories.
Sommario/riassunto	"The culmination of a century-long dream to link the Great Lakes interior industrial hubs to the Atlantic Ocean, the St. Lawrence Seaway and Power Project stands as one of the largest and most important public works initiatives of the twentieth century. In this book, Claire Puccia Parham reveals the human side of the project in the words of its engineers, laborers, and carpenters."
