| Sommario/riassunto      | Rivera's study explores the core values that have bonded SPMDTU members across generations and have sustained the organization for more than a century and addresses the question of whether or not La Sociedad will survive in the twenty-first century.                                                                                                                                                                                                                                                                  |
