The human costs -- 5. The way forward -- Appendix 1 Tables -- Appendix 2 Senior policy seminar on capital flight in sub-Saharan Africa.
Sommario/riassunto	Africa's Odious Debts explodes the myth that Africa is a drain on the West's finances, revealing that the continent is actually a net creditor to the rest of the world. Revealing the intimate links between foreign loans and capital flight, this is a vital book for anyone interested in Africa, its future and its relationship with the West.
