Note generali	Description based upon print version of record.
Nota di contenuto	Artist's note -- Introduction -- Northern saw-whet owl -- Eastern screech-owl --Burrowing owl -- Boreal owl -- Barn owl -- Short-eared owl -- Long-eared owl -- Northern hawk owl -- Barred owl -- Great horned owl -- Snowy owl -- Great gray owl.
Sommario/riassunto	Meet the saw-whet, the tiniest of Minnesota's owls, a mere eight inches from the tip of its blunt tail to the top of its rounded head. The simplest way to find one is to listen for the scolding calls of a flock of agitated chickadees. Or, if you're lucky, you might witness the male throwing all caution to the wind and ""co-co-co-co-ing"" for a mate, inching forward on every note like the bird in a cuckoo clock. From this fetching little creature to the magnificent great gray, the owls of Minnesota have found the perfect spokeswoman in this book, which is as charming as it is informative. Writt

Sommario/riassunto	Learning disabilities and mental health: a nursing perspective provides an evidence-based perspective on care of individuals with learning disabilities and mental health problems. Around 30% to 40% of people with learning disabilities will experience mental health disorders during their lives. Many learning disability nurses and a significant number of mental health nurses are in daily contact with this group, and their complex needs are not often well understood.* Examines current
