Moore Library of Lexington, Michigan -- Those commission ideas : the Rhinelander Public Library of Rhinelander, Wisconsin -- Literature suitable for a small public library : Main Street public library collections -- Epilogue : agent of social harmony.
Sommario/riassunto	The United States has more public libraries than it has McDonald's restaurants. By any measure, the American public library is a heavily used and ubiquitous institution. Popular thinking identifies the public library as a neutral agency that protects democratic ideals by guarding against censorship as it makes information available to people from all walks of life. Among librarians this idea is known as the "library faith." But is the American public library as democratic as it appears to be? In Main Street Public Library, eminent lib
