Nota di contenuto	Introduction -- Gender, sex, and sexuality -- From society -- To the state -- India -- The United States of America -- Malaysia -- Turkey -- Britain -- Comparing the case studies -- The terrain of sexuality rights -- Conclusion.
Sommario/riassunto	Policing Sexuality explores the regulation of sexual behaviour and identity, asking how and why nation-states have sought to influence and control the sexuality of their citizens. Featuring crucial case studies from India, the US, Malaysia, Turkey, and Britain, this engaging comparative account examines the coercive control state authority exerts over sexuality.
