Sommario/riassunto	Gilles Deleuze and Flix Guattaris Anti-Oedipus is the first part of a two volume project entitled Capitalism and Schizophrenia. Challenging the twin orthodoxies of Lacanian psychoanalysis and Althusserian Marxism, Anti-Oedipus is an important and exciting, yet challenging piece of philosophical writing. Ian Buchanans Readers Guide to Anti-Oedipus is the ideal companion to one of the twentieth-centurys most influential philosophical works. It provides informed and accessible guidance on: Philosophical and historical context Key themes Reading the text Reception and influence Further reading
