Sommario/riassunto

The Cameroon Political Story is a long journey through the eyes and actions of the author himself. It is a mix between Mbileis memoirs, a bit of his biography and the Cameroon political story, heavily weighted in favour of that part of the Republic formerly identified as Southern Cameroons, later West Cameroon, now South West and North West Regions. The story is told in the interest of the Cameroonian youth and scholar who have often complained of the inadequate recording by political leaders of the life and deeds of their times. It is the story of an African boy of humble village beginnings w
