Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Theory and empirical research in disability management practice -- pt. 2. Disability management in various countries -- pt. 3. Illness, rehabilitation and disability management.
Sommario/riassunto	Disability Management and Workplace Integration considers the development of disability management over the last three decades in different countries. It looks at the ongoing debate about methodology and implementation of disability management strategies and programmes, highlighting the critical debate about the implications of a stricter cost-benefit approach to Social Work theory and practice.
