

1. Record Nr.	UNINA9910781944403321
Autore	Gilreath Shannon <1977->
Titolo	The end of straight supremacy : realizing gay liberation // Shannon Gilreath [[electronic resource]]
Pubbl/distr/stampa	Cambridge : , : Cambridge University Press, , 2012
ISBN	1-139-17972-1 1-107-22715-1 1-283-38253-9 1-139-18946-8 9786613382535 0-511-79149-6 1-139-18816-X 1-139-19076-8 1-139-18354-0 1-139-18585-3
Descrizione fisica	1 online resource (xiv, 304 pages) : digital, PDF file(s)
Classificazione	LAW000000
Disciplina	306.76/60973
Soggetti	Gay people - United States - Social conditions Gay rights - United States - History Gay liberation movement - United States - History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from publisher's bibliographic system (viewed on 08 Oct 2015).
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Machine generated contents note: 1. The metaethics of gay liberation; Part I. Equality and Making Meaning: 2. Law/morality: thoughts on morality, equality, and caste; 3. Law/power: the appropriation of gay identity in Lawrence v. Texas - and the substantive alternative; Part II. Equality, Sexuality, and Expression; 4. Speech/hate propaganda: a comment on Harper v. Poway Unified School District; 5. Pornography/death: the problem of gay pornography in a straight supremacist system; Part III. Millennial Equality: A Primer on Gay Liberation in the Twenty-First Century: 6. Gay/straight: the binary ontology of the gay marriage debate; 7. Knowledge/power: reversing the heteroarchal reversals of religion, marriage, and caste; 8.

Trans/sex: transsexualism, patriarchal ontology, and postmodern praxis; 9. Epilogue: flaming, but not burning.

Sommario/riassunto

Rooted in the politics and theories of early gay liberation and radical feminism, Shannon Gilreath's *The End of Straight Supremacy* presents a cohesive theory of gay life under straight domination. Beginning with a critique of formal equality law, centering on the 'like-straight' demands of liberal equality theory as highlighted in *Lawrence v. Texas*, Gilreath moves to criticize the gay movement itself, challenging the assimilation politics behind the movement's blithe acceptance of discrimination in the guise of free speech and pornography in the name of sexual liberation, as well as same-sex marriage and transsexuality as tools of straight hegemony. Ultimately, Gilreath rejects both the liberal demand for gay erasure in exchange for meager legal progress and the gay establishment agenda. In *The End of Straight Supremacy*, Gilreath calls gays and their allies to the difficult task of rethinking what liberation and equality really mean.
