Sommario/riassunto	Finding good, interesting audition pieces is a demanding and difficult process for actresses. This revised edition of Actresses' Audition Speeches contains over 40 speeches and includes a wide selection of pieces taken from plays written or produced recently, such as Losing Louis , Whose Life is it Anyway? and His Dark Materials . There are speeches for a variety of accents and ages , taken from both classical and modern plays, to suit all audition requirements. There is also an introductory section containing advice from directors and casting directors on how to audition successfully.

Sommario/riassunto	Charles de Gaulle combined the skills to master the politics of his own day with an uncanny sense of where history was going and how to position France accordingly. The essays in this volume examine certain of the policies and themes de Gaulle pursued nationally, in the European region, and internationally, giving consideration to their significance in his own time, and today.
