What Can Smaller Companies Do to Enhance the Likelihood of Success of Preemptive Alliances?

Sommario/riassunto

Firms all over the world are entering into strategic alliances. Successful alliance management, however, requires corporations to adapt their management models to the demands of this new mode of organization. New tools, techniques and ideas need to be introduced in order to fully benefit from the potential advantages of alliances. Firms are becoming embedded in alliances to such an extent that the autonomous firm no longer exists. Instead, the allied enterprise has emerged as a viable form of organization. To guide managers in developing their allied enterprise, this book provides an o
