Sommario/riassunto	The escalation of piracy in the waters east and south of Somalia has led commentators to call the area the new Barbary, but the Somali pirates cannot compare to the three hundred years of terror supplied by the Barbary corsairs in the Mediterranean and beyond. From 1500 to 1800, Muslim pirates from the Barbary Coast of North Africa captured and enslaved more than a million Christians.Lords of the Sea relates the history of these pirates, examining their dramatic impact as the maritime vanguard of the Ottoman Empire in the early 1500's through their breaking from Ottoman

Sommario/riassunto	On September 11, 1857, a wagon train of emigrants passing through the Utah Territory on their way to California were massacred at Mountain Meadows. Although today's historians agree that the principal perpetrators were members of the Mormon militia in southern Utah, how much the central Mormon leadership, especially Brigham Young at the top, knew about the massacre, when and how they learned about it, and the extent of a cover up afterward are still matters of controversy and debate. In this 12th volume of the Arrington Lecture Series, Thomas Alexander (Lemuel Redd Professor of
