Harris -- Look who's talking: migration narratives and identity construction / Amy Lee Wai-sum -- In love with music: memory, identity, and music in Hong Kong's diasporic films / Esther M.K. Cheung.

Sommario/riassunto

This book explores how memories are used to re-establish a sense of belonging, analyzing the relationships between migrants' adjustment, assimilation and re-remembering home. It considers memories as social expressions as well as the tensions and conflicts in representing and renegotiating memories in literature and cinema.
