Nota di contenuto	Contents; PART I. Background; PART II. Evidence: Major Findings, Strengths, and Limitations; PART III. Improving Therapy Research; Appendix A: List of Child and Adolescent Psychotherapies; Appendix B: Methodology in a Nutshell; Notes; References; Author Index; Subject Index
Sommario/riassunto	What do we wish to know about psychotherapy and its effects? What do we already know? And what needs to be accomplished to fill the gap? These questions and others are explored in this updated book about the current status and future directions of psychotherapy for children and adolescents.
