## Sommario/riassunto

The Bible has influenced contemporary culture both positively and negatively. The present volume is a collection of papers that were discussed at an international colloquium on the use of the Bible in Ethics in the Department of Biblical Studies at the University of Sheffield in April 1995. Participants came from many parts of the world and from different backgrounds, and the papers reflect their varied interests and the contexts in which they work. The contributors, in addition to the three editors, are John Barton, Bruce Birch, Mark Brett, Mark Chapman, David Clines, Philip Davies, Cheryl Ex
