Sommario/riassunto

This is a revised version of the book which was privately published by the author in 1982. At the time, the book was widely welcomed by Shakespearean scholars as a trenchant, scholarly and highly original

contribution to the field of Shakespearean studies. The book's argument is that a full response to Shakespearean tragedy has to take account of the fate of the victims as well as of the tragic heroes and this thesis is illustrated and developed by a consideration of Lavinia, Lucrece and the children in *Richard III*, *Macbeth* and *King John*; and to the thee principal Shakespearean tragic victims,
