Sommario/riassunto	In 1943, the famous Old Testament scholar, Martin Noth, published his monograph, _berlieferungsgeschichtliche Studien, in which he established the hypothesis of a Deuteronomistic History and gave his treatment of the Chronicler's History. It quickly became one of the classics in the field and is probably Noth's most enduring legacy. This

book brings together essays from an international symposium of scholars celebrating the fiftieth anniversary of Noth's important volume and reviewing his other contributions to Old Testament study. Part I discusses Noth's life and work (Christopher Begg), his
