A Stranger in a Strange Land: A Journey Through the Social Weirdness of the Neurotypical; LIST OF CONTRIBUTORS; INDEX; back cover;
Sommario/riassunto	'This book is essential reading to understand the social abilities of adults with Asperger's syndrome. The contributors each have different

personalities and experiences, but together they provide a range of strategies to encourage people with Asperger's syndrome to achieve the social relationships they desire.' - Professor Tony Attwood, author of The Complete Guide to Asperger's Syndrome. Social interaction among neurotypical people is complex and in many ways illogical. To the person with Asperger Syndrome (AS) it is also woefully unintuitive. In this book, adults with AS discuss social rel
