Sommario/riassunto	A fascinating look at the greatest educators of all time including Rousseau, Newman, Montessori and Freire. The Greatest Educators Ever brings together the most influential and interesting educators of all time. With entries ranging from Plato to Jesus, and Froebel to Freire, This book provides a fascinating overview of the development of

educational thought through the ages. Frank Flanagan writes engagingly and accessibly, considering each educator's unique contribution and placing it in a historical and intellectual context. A fascinating read for educators and students alike.
