| Sommario/riassunto      | This major new work by Professor Anthony D. Smith challenges the notion of nationalism as a product of modernity.Major new work by a leading historical sociologistChallenges the prevailing idea of nationalism as a product of modernityDemonstrates that different political forms of community and collective identity from pre-modern times have contributed to the formation and character of nationsAnalyzes the chronology and nature of nations, from the ancient |

world, to the European Middle Ages, the early modern, and the modern  
erasDiscusses alternative destinies facing moder
