Learning and Burning -- 6. Taking the "Wild" Out of Wildfire -- 7. The Beaver Creek Fire -- 8. The Incompetent Dead -- Conclusion -- Appendix: Between Native and Alien -- Glossary -- Notes -- Acknowledgments -- Index
Sommario/riassunto	In this rugged account of a rugged profession, Matthew Desmond explores the heart and soul of the wildland firefighter. Having joined a firecrew in Northern Arizona as a young man, Desmond relates his experiences with intimate knowledge and native ease, adroitly balancing emotion with analysis and action with insight. On the Fireline shows that these firefighters aren't the adrenaline junkies or romantic heroes as they're so often portrayed. An immersion into a dangerous world, On the Fireline is also a sophisticated analysis of a high-risk profession-and a captivating read.
