Sommario/riassunto	Militant Islam provides a sociological framework for understanding the rise and character of recent Islamic militancy. It takes a systematic approach to the phenomenon and includes analysis of cases from around the world, comparisons with militancy in other religions, and their causes and consequences. The sociological concepts and theories examined in the book include those associated with social closure, social movements, nationalism, risk, fear and 'de-civilising'. These are

applied within three main themes; characteristics of militant Islam,
multi-layered causes and the consequenc
