Sommario/riassunto

How many times have you heard the phrase: 'it's all political correctness gone mad!' Do you ever wonder whether colleges and universities are really awash with trivial concerns about the use of language or whether they are actually trying to address serious concerns about discrimination and harassment? Have you ever wanted to get to the bottom of what all the fuss is about? This book is the first major study of political correctness in post compulsory education to be published in the UK. For readers in the UK unfamiliar with the na
