families on inpatient units / Chris Mansell & Grainne Fadden -- Setting up a family intervention (FI) service : a UK case study / Frank Burbach & Roger Stanbridge -- Overcoming barriers to staff offering family interventions in the NHS / Grainne Fadden -- The COOL approach / Claudia Benzies, Gwen Butcher & Tom Linton.

Sommario/riassunto

A practical guide to implementing family interventions for psychosis, which discusses different family needs and illustrates different approaches to offering the interventions. Approximately 1 in 100 people experience psychosis, which can severely disrupt home and family life and place a heavy burden on carers. A practical guide to implementing family interventions for psychosis, which discusses different family needs and illustrates different approaches to offering the interventions. Shows how to tailor family interventions to meet different needs e.g. w
