Sommario/riassunto	The inventor, the ladies' man, the affable diplomat, and the purveyor of pithy homespun wisdom: we all know the charming, resourceful Benjamin Franklin. What is less appreciated is the importance of Franklin's part in the American Revolution: except for Washington he was its most irreplaceable leader. Although aged and in ill health, Franklin served the cause with unsurpassed zeal and dedication. Jonathan R. Dull, whose decades of work on The Papers of Benjamin Franklin have given him rare insight into his subject, explains Franklin's role in the Revolution, what prepared him for that role, an

Sommario/riassunto	Written by an internationally renowned authority in geriatric psychiatry, this text discusses the most common emotional problems affecting the elderly: memory loss, depression, anxiety, sleeping problems, alcohol and drug abuse, and others. Each problem is addressed in a consistent format highlighting: the nature and scope of the problem.; the etiological factors involved.; a diagnostic workup.; treatment strategies. The focus is on providing the health practitioner with information and specific strategies to diagnose the nature of the problem and to resolve the difficulties, as the situation
