Note generali Includes bibliographical references and indexes. Nota di bibliografia Nota di contenuto Contents; Preface; Acknowledgments; Part I: Family Dynamics in Illness and Disability; Part II: Family Interventions; Part III: Selected Family Issues: Author Index: Subject Index Sommario/riassunto To help families manage an intense medical-related event, Power and Dell Orto propose that a family-oriented life and living perspective should be combined with a family intervention philosophy. Stressing acknowledgment of the adverse effects of the illness and an affirmation approach to family struggle and opportunities, the authors explore issues relevant to treatment, family adaptation, quality of life, and family survival. A unique feature of the text includes the organization

of the chapters around thought-provoking personal statements

followed by questions/experiential tasks designed to
