Sommario/riassunto	Pariah Politics breaks new ground in examining the issue of western Islamist extremism from the perspective of government. It links underlying causes to the capacity of governments to respond directly and to influence others. - ;Pariah Politics breaks new ground in examining the issue of western Islamist extremism from the perspective of government. It links underlying causes to the capacity of governments to respond directly and to influence others. The book contains four main messages. Focusing on causes, not symptoms. The

book identifies four big causal drivers: settled disadvantage, social
