Sommario/riassunto	About the Book: MBA has been attracting students of different streams in larger numbers, a trend observed, of late. Many students do not have, even, fundamental knowledge of Law. This book is aimed at the students of non-commerce background, who always experience difficulty to understand the concepts and application of Law, in a simple manner. In this book, all the topics have been dealt with in a systematic manner, in the same order of UGC syllabus of MBA, for convenient reading. Topics are common, in almost all the MBA institutes and so the book is ideally useful to all students, pursuin
