Sommario/riassunto	Challenging behavior, while common, can have a significant negative impact on the lives of children and their families. A child's behavior problems can exacerbate developmental setbacks and disrupt overall family functioning. Furthermore, families of children with behavior problems are often at risk for drop out of intervention programs. This facilitator guide, along with the corresponding workbook, aims to assist parents who have difficulty completing parent training and implementing interventions. It uses a fresh and resourceful approach, combining principles of applied behavior analysis, to
