Sommario/riassunto	The midwestern pastoral is a literary tradition of place and rural experience that celebrates an attachment to land that is mystical as well as practical, based on historical and scientific knowledge as well as personal experience. It is exemplified in the poetry, fiction, and essays of writers who express an informed love of the nature and regional landscapes of the Midwest. Drawing on recent studies in cultural geography, environmental history, and mythology, as well as literary criticism, The Midwestern Pastoral: Place and Landscape in Literature of the American Heartland relates Midweste
