| Sommario/riassunto | Even in the relatively serene world of North America and Western Europe, numerous conflicts with the propensity for sustained political violence are carried out by domestic groups with alarming regularity. |

This in-depth volume explores conflicts and potential hot spot areas in these regions, from anti-globalization protests to immigration politics to the Basque provinces and the ETA. Coverage is divided into three regions—the established democracies of the U.S., Canada, and Western Europe; the democratizing countries of post-communist Europe; and the more volatile region encompassing Russia, t
