Nota di contenuto	Cover; Contents; Preface; Theodore Roosevelt; Notes; Bibliography
Sommario/riassunto	Sportsman. Naturalist. Warrior. President. There are so many sides to Theodore Roosevelt that it is easy to overlook one of his most enduring contributions to American public life: the use of fame to fuel his political career. In this concisely written, enlightening book, presidential historian Lewis L. Gould goes beyond the ""bully pulpit"" stereotypes to reveal how Roosevelt used his celebrity to change American politics. Based on research gleaned from the personal papers of Roosevelt and his contemporaries, Theodore Roosevelt recaptures its subject's bold activism and irrepressible, larger-

Sommario/riassunto	Accessible, practical, and empowering, this book gives school professionals the tools to put students in charge of their own learning. Going beyond traditional ""study skills"" guides that focus on the mechanics of homework completion and test taking, the authors address the underlying psychological factors that influence academic success and lifelong learning. They provide step-by-step guidance and data-based interventions for helping each student develop a repertoire

Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Cover; About the Author; Copyright; Contents; Introduction; 1 - A brief history of Australia's population numbers; 2 - What a larger population will do to our resources and environment; 3 - How the numbers affect our society and the economy; 4 - The benefits of stabilising the population; 5 - Who's who in the population debate, and what are their agendas; 6 - The politics of population growth; Summary and Conclusion; Acknowledgements; Further Reading; Index
Sommario/riassunto	A comprehensive and detailed analysis of the controversial debate about Australia's population numbers, this book clarifies the subject and addresses the many misconceptions. It provides a historic account of Australia's population growth and a study of official data while examining the components of that growth in detail, including birth rates and immigration as well as the more recent trend of an aging population. In addition, this thorough account also discusses the motives of the interested parties, both those who promote population growth
