Logan and Wenquan Zhang -- Dominican women, heads of households in Spain / Laura Oso Casas -- Identity and kinship : Caribbean transnational narratives / Mary Chamberlain.

Sommario/riassunto

Caribbean Migration to Western Europe and the United States features a diverse group of scholars from across academic disciplines studying the transnational paths of Caribbean migration. How has the colonial path of the Caribbean influenced migration with regard to power relations, ethnic identities and transnational processes? Through a series of case studies, the contributors to this volume examine the experiences of Caribbean immigrants to Spain, France, the United Kingdom and the Netherlands as well as the United States. They show the demographic, socioeconomic, politi
