Sommario/riassunto	Postcolonial studies has recently made significant inroads into biblical studies, giving rise to numerous conference papers, articles, essays and books. 'Postcolonial Biblical Criticism' is the most in-depth and multifaceted introduction to this emerging field to date. It probes postcolonial biblical criticism from a number of different but interrelated angles in order to bring it into as sharp a focus as possible, so that its promise - and potential pitfalls - can be better appreciated. This volume carefully positions postcolonial biblical criticism in relation to other important political an
