Nota di contenuto	The loss of the messianic -- Messianic possibilities -- Messianic epistemology -- Messianic pneumatology -- Messianic history -- Messianic suffering -- Messianic optics : elective affinity between the messianisms of Walter Benjamin and Jurgen Moltmann -- Trinitarian discourse : doxology born of remembrance.
Sommario/riassunto	Relying on the core, messianic affinity that binds Christianity and Judaism together, Zathureczky offers a reconstruction of the Christian doctrine of the Trinity through the messianic lens provided by the thought of Walter Benjamin. The work traces the contours of a Trinitarianism which does not stand aloof of an unredeemed world, a Trinitarian naming of God that transpires within the time of messianic remembrance.
