Sommario/riassunto	Novelist, scholar, journalist, statesman, and leading member of Chile's ""Generation of 1842""--an intellectual movement so named for the founding of the National University--Jose Victorino Lastarria (1811-1888) lived his life at the forefront of nineteenth-century Chilean and Spanish American culture, literature, and politics. Recuerdos Literarios (or Literary Memoirs) is his masterpiece, encompassing the candid memories of a tireless activist, both the creative and critical sensibilities of an influential Latin American early modernist, and an eyewitness account of the development of Chilean
