Sommario/riassunto	Routledge Language Workbooks are practical introductions to specific areas of language for absolute beginners. They provide comprehensive coverage of the area as well as a basis for further study. Language Workbooks can be used for independent study or as part of a taught class. Vocabulary: * covers issues such as the power of words to influence our perceptions* looks at the origins of words from English and other languages* explores the relationships between the meanings and shapes of words* examines the correlation of different kinds of words with different style I
