Sommario/riassunto	Self-evaluation in schools sits at the top of the national agenda in response to an awareness that performance tables and inspector's reports can only tell a partial story. Schools are now encouraged to raise questions about 'How are we doing?' and 'How do we know?'.Self-Evaluation: What's in it for Schools? demystifies school self-evaluation and encourages schools to be self-critical and self-confident. The book helps schools and teachers develop the necessary confidence to work with evaluation tools. Accessible and packed with case studies, it tackles the issues that are a
