Sommario/riassunto	This textbook has been designed to provide students with an up-to-date and accessible introduction to the complexities of Italian politics

during the 1990's. It will equip students with a sound understanding of the basics of Italian politics and government, and will provide clear and simple insights into the intricacies of Italian political behaviour. The comprehensive coverage includes: * an introduction to contemporary history, political geography and economic issues as well as Italian political values and attitudes. * a section on political behaviour which explores political part
