Ehlers -- Sports recommendations for children with solitary kidneys and other genitourinary abnormalities / Jack S. Elder -- Urologic manifestations of sexual abuse / Angelique C. Hinds -- Pediatric urology database / Jeffrey A. Stock and George W. Kaplan.

Sommario/riassunto

Updated and expanded for its Second Edition, this handbook is an accessible guide to the diagnosis and treatment of urologic disorders in infants, children, and adolescents. It covers the full range of pediatric urologic problems in an easy-to-use outline format with numerous illustrations and tables. This edition includes new chapters on laparoscopy in pediatric urology, sports recommendations for children with solitary kidneys and other genitourinary anomalies, preparing pediatric patients for anesthesia, and treatment of urinary incontinence and constipation.
