Nota di contenuto	Contents; Abstracts & keywords; Introduction; Attitudes toward women as managers: sex versus culture; Same ticket, different trip; Evidence of back-home selection bias against US female expatriates; Repatriation of female executives; Bookshelf; News
Sommario/riassunto	The issue of gender is especially complex and challenging for multinational corporations(MNCs). First, these firms must operate in countries where the cultural norms and legal frameworks regarding the roles of women in the workplace, home and society differ significantly from those of their home countries.
