Trade Liberalization Set Back Again, Then Renewed?; Conclusion; Appendix; Notes; Index
Sommario/riassunto	For the past two decades, trade policy has been high on the American political agenda, thanks to the growing integration of the United States into the global economy and the wealth of debate this development has sparked. Although scholars have explored many aspects of U.S. trade policy, there has been little study of the role played by party politics. With <i>Trading Blows</i> , James Shoch fills that gap. Shoch offers detailed case studies of almost all of the major trade issues of the Reagan, Bush, and Clinton eras, including administrative and legislative efforts to curb auto, steel,
