| Sommario/riassunto      | This paper reviews, assesses and evaluates the performance of sub-Saharan African countries towards achieving the international development goals and targets set by the United Nations, UN Millennium Development Goals and the Agenda for Action of the 2nd                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

Tokyo International Conference on African Development. Africa's recent economic performance is a reflection of the policies it has pursued since the 1960's. It summarises the progress of sub-Saharan African countries with a view to providing a clearer understanding of the constraints they face in reaching the goals, with a special focus on the e
