Sommario/riassunto

This study brings together two disciplines, now more and more considered being conjuncted. Both sociology and theology give an account of the human condition, but the majority of sociologists and theologians have dismissed each other's views as irrelevant. Updated reprint of the book with the same title, published in 1980 by The Harvester Press. Contributors: John Orme Mills, Eileen Barker, Christopher Harris, David Martin, William Pickering, W. Donald Hudson, Robin Gill, Gregory Baum, Timothy Radcliffe, Antoine Lion, Robert Towler.
