CONTENTS; EDITORIAL ADVISORY BOARD; INTRODUCTION - Diffusion Nota di contenuto of knowledge management systems: mission definitely possible; From rhetoric towards a model of practical knowledge management systems; Exploring the perceptions of knowledge management systems; Adoption and diffusion of knowledge management systems: an Australian survey; A six-stage model for the effective diffusion of knowledge management systems; A reality-based guide to KMS diffusion Sommario/riassunto This e-book investigates the factors impacting on the diffusion of Knowledge Management Systems (KMS). Although this research is of interest to other disciplines, no attempt has been made to synthesize this material as it relates to KMSs. There is some literature on the factors influencing the adoption and diffusion of various technologies, but there is none on the factors for KMS adoption and diffusion.
