Sommario/riassunto

Winners and losers. Success and failure. Victory and defeat. American culture places an extremely high premium on success, and firmly equates it with winning. In politics, sports, business, and the courtroom, we have a passion to win and are terrified of losing. Instead of viewing success and failure through such a rigid lens, Jules Lobel suggests that we move past the winner-take-all model and learn valuable lessons from legal and political activists who have advocated causes destined to lose in court but have had important, progressive long term effects on American society. He leads us throu
