Sommario/riassunto	How did a single village community in the Italian peninsula eventually become one of the mightiest imperial powers the world has ever known? In The Romans, Mary T. Boatwright, Daniel Gargola, and Richard J.A. Talbert tackle this question as they guide readers through a comprehensive sweep of Roman history, ranging from the prehistoric settlements to the age of Constantine. Vividly written and attractively designed with almost 100 illustrations, The Romans expertly unfolds

Rome's remarkable evolution from village, to monarchy and then republic, and finally to one-man rule by an emperor whose po

Sommario/riassunto	This book is a sociological exploration of the process of returning to the ordinary world after extraordinary experiences. It provides many lively examples, both contemporary and historical, of the commonalities among extraordinary experiences, the challenges faced by returnees, strategies returnees follow in dealing with these challenges, and public policy changes needed to support the return process.
