Persistent Whiggery: Federal Entitlements and Southern Politics; 6. Missiles and Magnolias; 7. ""Shadows on the Sunbelt,""; 8. Conclusion: Place Over People; Essay on Selected Sources; Notes; Index
Sommario/riassunto	This is a carefully executed study of the effects of federal economic policy in transforming the American South from the time of the New Deal to the present. Decrying the South's economic backwardness and political conservatism, the Roosevelt Administration launched a series of aggressive programs to reorder the Southern economy. A generation of young liberal Southerners entered the national government to preside over these policies. After 1950, however, Keynesianism

replaced New Deal reform as the mainstay of national economic policy,  
and the national security state supplanted the social we
