Sommario/riassunto	Une trajectoire hors du commun : pretre par tradition familiale, aumonier chez les SS par conviction religieuse. Lorsque Louis Firenes part pour le front de l'Est, son pere, pourtant fervent patriote, lui dit : "Ou il y a des femmes et des hommes qui souffrent et meurent, il faut un pretre." Ce professeur dans un college catholique, en accompagnant en Russie les jeunes legionnaires wallons, ne fait que ce qu'il considere comme son devoir : etre la ou la presence d'un pretre est necessaire. A ses yeux, il fallait un aumonier catholique pour accompagner les volontaires wallons du front de l'E.

Sommario/riassunto	Polybius was a Greek statesman and political prisoner of Rome in the second century B.C.E. His Histories provide the earliest continuous narrative of the rise of the Roman Empire. In this original study informed by recent work in cultural studies and on ethnicity, Craige Champion demonstrates that Polybius's work performs a literary and political balancing act of heretofore unappreciated subtlety and interest.
